**We are Service-Disabled
Veteran-Owned and Operated!**

Mavec Electrical Distribution is a Mavec Advisors, LLC company. We are a New York State and Veterans Affairs (CVE) certified Service-Disabled, Veteran-Owned (Small) Business (SDVOB) providing electrical wires, cables, piping, lighting, switch-gear and IT hardware solutions (Mavec is a certified Ingram Micro reseller) to customers in the public and commercial markets.

Results you can count on

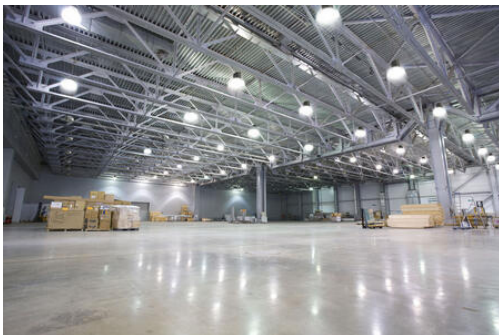

Mavec has entered a strategic partnership with an electrical distributor in order to meet larger-scale project needs.

IT Hardware Solutions Provider

Certified as a reseller for Ingram Micro, Mavec has the support of an international inventory management and fulfillment system to meet the changing technology needs and capabilities of a COVID / post-COVID hybrid working environment.

We are a full line, full service wholesale electrical, lighting and IT distributor, serving the agency, commercial, industrial and OEM markets

Lighting

Wire, Cable and Commodities
